### Operating and Capital Appropriations

#### Legal Authority

No statutory definition - used for budgetary tracking.

#### Source of Revenue

All taxes, royalties, fees and interest earnings of the state, unless otherwise specified.

#### Restrictions on Use

Use of general fund revenue is unrestricted, in terms of both purpose and amount.

#### Description and History

Fund code 1266 was created in March 2020 at the onset of the pandemic to facilitate tracking of unrestricted general fund appropriations associated with COVID. Its counterpart, fund code 1263 (COVID UGF MH), was also created to track UGF COVID appropriations specifically in the Mental Health bill.
